Text-Book Regulations

PUBLIC, SEPARATE, CONTINUATION, AND HIGH SCHOOLS AND COLLEGIATE INSTITUTES

NOTE.—In the following Regulations, "Principal" applies to the head teacher where there are more than one teacher, and to the teacher where there is only one.

1. Except when otherwise indicated, the publishers shall sell direct, in any quantity, to any purchaser for use in Ontario, the books listed in Schedules A, B, C, and D below, at 20 per cent. less than the maximum prices named in the aforesaid schedules.

2. As may be determined by resolution of the Board of School Trustees, the books for Supplementary Reading, as prescribed by the Regulations and as selected by the Principal and approved by the Inspector, shall be provided by the pupils for their own use or by the Board of School Trustees in the school library for the use of the pupils in the different forms in numbers satisfactory to the Principal and approved by the Inspector. The list of such books shall include the four books in English Literature to be read by candidates for a Departmental Examination, one of which, in the case of the Junior High School Entrance Examination, will be the Fourth Golden Rule Book.

3. No text-books are authorized in Art, Nature Study, Elementary Science, Agriculture and Horticulture, Manual Training, and Household Science, but suitable reference books, selected by the Principal and approved by the Inspector, shall be provided in the school library by the Board of School Trustees for the pupils' use in numbers satisfactory to the Principal.

4. For Religious Instruction in the Public, Continuation, and High Schools and Collegiate Institutes, the Sacred Scriptures, or the Selected Scripture Readings of the International Sunday School Association, or the Scripture Readings adopted by the Department of Education, shall be used as prescribed by the Regulations of the Department of Education.

5.—(1) The editions of the Ontario High School Reader and the Ontario Public School Hygiene, which editions were used in any school during the school year ending the 30th of June, 1919, and the continued use of which is recommended by resolution of the Board of School Trustees passed on or before the re-opening of the schools in September, 1919, and communicated promptly thereafter to the Minister of Education, shall be deemed authorized for any of the classes of such school at the former maximum price, until the first of July, 1920. In all other cases the Principal shall introduce next September the text-books authorized in this circular which are not already in use in his school.

NOTE.—Principals who desire to retain any of the books specified in 5 above for the sake of classes that already possess them are hereby warned:

That to enable them to do so they must secure the resolution of the Board of School Trustees on or before the date specified in 5 above.

(2) The editions of the Ontario Public School History of Canada and the Ontario Public School History of England, in separate volumes, may still be used. The new edition of these books (Sept. 1917) is bound in a single volume. (See page 5.)

6.—(1) The Principal shall submit to the Inspector at his official visit a copy of each of the resolutions provided for in 2 and 5 above, and in 9 (1) and (2), and 11 below, duly dated and certified by the Secretary of the Board of School Trustees.

(2) It shall be the duty of the Inspector to see, at his first visit to each school after the receipt of this circular, that the Resolutions of the Board of School Trustees referred to in 6 (1) have been duly passed, and, when necessary, from time to time thereafter; that the provisions of the regulations have been duly carried out in the school.

PUBLIC AND SEPARATE SCHOOLS

7. Books authorized for use in the Lower School of Continuation and High Schools and Collegiate Institutes are authorized for use by pupils taking the corresponding subjects in the Fifth Form of Public and Separate Schools.

8. Boards of Roman Catholic Separate School Trustees may by resolution adopt either the Ontario Readers or the Canadian Catholic Readers for use in the schools under their charge.

9. As may be determined by resolution of the Board of School Trustees, the following books, as prescribed by the Regulations, shall be provided by the pupils for their own use or provided by the Board in the school library for the pupils' use in numbers satisfactory to the Principal and approved by the Inspector:

(1) (a) Hygiene for Young People, or The Story of the Human Body, or both, which are herein recommended for use in Form III of a Public or a Separate School.

(b) Under the same conditions these Readers may be used as supplementary to the authorized texts in the higher Forms.

(2) The First, Second, Third, and Fourth Golden Rule Books which are herein recommended for use in Forms I (*Senior Grade*), II, III, and IV, respectively, of a Public or a Separate School.

(3) As the result of war conditions, the publishers can no longer supply Form III Readers in History and Geography at the prices of former years. Under former Regulations, however, these books have been provided in the school libraries or purchased by the pupils themselves, and therefore the teacher should be able to adjust his class work to local conditions.

(4) The Children's Story of the War was recommended in 1915 for use in Forms III, IV, and V of the Public and Separate Schools and in the Lower School of the High Schools. As, however, the publishers have since advanced the price, the Minister has notified them that he no longer recommends the series for use in the schools in terms of Regulation 9. Any volumes of the series (now fifty-six in number) may be used by such teachers and pupils as may find them of value in studying the causes and the events of the war.
